

Skyline Luge Tongyeong opens for Business

10 February 10, 2017

Skyline Enterprises is pleased to announce the opening of Skyline Luge Tongyeong.

On behalf of Skyline I wish to acknowledge the many people involved in the planning, building and opening of Tongyeong Luge, you can all be very proud.

It is exciting to think the positive relationships developed from our presence in Tongyeong will only strengthen further now we are up and running.

Today's opening has attracted many riders and has been heavily promoted on social media. It was fantastic to link in to view operations in full swing today.

Again, thank you to all those involved over many years to achieve today's opening.

It is also a pleasure to welcome our Korean staff to the Skyline family.
