Skyline Enterprises Limited.

The Board of Skyline Enterprises Limited is pleased to announce the appointment of Dean Hamilton to its Board as a non-executive independent director commencing 1 July 2019.

Dean is a professional company director with extensive governance and senior executive experience. He is currently a director of Auckland International Airport, Fulton Hogan, Tappenden Holdings and was until recently the Chair of the Wakatipu High School Board of Trustees. In 2018 Dean retired as Chief Executive of Silver Fern Farms, New Zealand's largest meat processing and marketing company. Before this, Dean was a Managing Director at Deutsche Bank in Melbourne.

The Skyline Board welcomes Dean's deep commercial and financial experience that will complement the diversity of skills and industry experience already in place around the Board table.

Dean and his family live in Queenstown.

As per the Constitution of Skyline Enterprises, Dean will stand for election by shareholders at the Skyline Enterprises AGM on the 21st of September 2019.

End.
